DuraGuard® Asset Identification Tags

Tamper Evident DuraGuard® Asset Tags

DuraGuard® Asset Tags
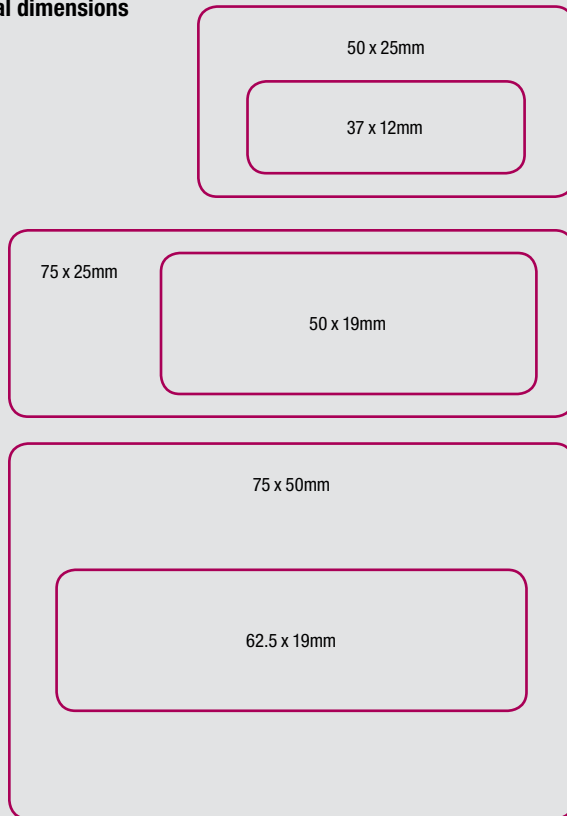

- **RoHS compliant**
- Ideal for portable assets and situations where security is a concern and a visual deterrent against theft is required
- If removal is attempted a checkerboard adhesive residue is left behind on both the tag and the asset
- Tags cannot be reused or reapplied
- Use on everything from computers, IT equipment and office furniture to tools, machinery, equipment and electrical appliances
- Made from 0.15mm metallised polyester which is then overlaminated so that printing cannot be rubbed or scratched off
- Choose from 10 sizes
- Request a sample today!

Can not be reapplied once removed.
